ALS SLA
ALS SOCIETY OF MANITOBA
LA SOCIETE MANITOBAINE DE LA SLA

ALS Society of Manitoba was founded in 1980 for persons with ALS/MND, their families, friends and other interested parties. During the past 35 years, the Society has helped clients and their families, by providing information and support. As our organization continues to grow, we are able to offer a more client-service based program which helps those living with ALS/MND maintain independence and make informed decisions about their care. Our mandate is to make a difference in the lives of those living with ALS/MND every day.

VISION

Improved Quality of Life for all people affected by ALS/MND.

MISSION

Helping Our People Everyway we can by:
Investing in Research
Providing Client Services

CORE VALUES

Respectful ---- We respect the rights of people impacted by ALS to live with dignity and make their own decisions;
Responsible & Ethical ---- We commit to continuous improvement, accountability, and sharing of knowledge.

THREE YEAR PRIORITIES AND GOALS (2013-2015)

1. **Ensure long-term financial stability of the Society**
   - Annually balance the Society's consolidated budget.
   - Secure consistent and reliable funding.
   - Increase our fundraising capacity.
2. **Maintain leadership in provision of client services**
   - Ensure programs are relevant to client's needs.
   - Maintain a sustainable quality of care.
   - Improve access to the Society's services throughout Manitoba.
3. **Strive for Organizational Efficiency and Excellence**
   - Have a diverse, skilled, knowledgeable, and engaged Board of Directors.
   - Have the correct complement of staff.
   - Continuously improve the Society's physical work environment.
   - Attract, recruit and retain volunteers.
   - Develop a plan to codify and transfer staff knowledge.
   - Develop a plan to codify and transfer volunteer knowledge regarding events.
4. **Increase awareness and profile of ALS & the ALS Society throughout Manitoba**
   - Increase profile with the general public to increase our volunteer and donor base.
   - Increase profile with clients & caregivers to increase awareness of services.
   - Increase profile with health care professionals to enhance recognition of ALS and provide the best possible care.
   - Increase profile within Government to ensure long term support and funding.
   - Increase profile with funding agencies, service organizations and the business community to secure sustainable funding.

ALS SLA
ALS SOCIETY OF MANITOBA
LA SOCIETE MANITOBAINE DE LA SLA

REPORT FROM BOARD PRESIDENT

2015-2016 was another great year of ALS/MND awareness. We are very appreciative of the generosity of Manitobans when it comes to assisting us in helping people live with this disease and to raise funds to find a cure. We thank you for your continued support.

Our board and the staff at the ALS Society of Manitoba are committed to working hard to help our clients, families, and the entire ALS/MND community.

Some local highlights of the past year include:

- We have been in our new office for one year and continue to see the benefits of the new space. This year we were fortunate to have volunteers from the University of Winnipeg design and implement an improved equipment inventory management system.

- The Walks for ALS/MND were a great success. Our walks are an integral part of our fundraising efforts to provide funds to ALS/MND Canada to invest in research through the Scientific Medical Advisory Council, and provide Client services to those affected with ALS/MND and those caring for someone with ALS/MND, their families and friends. We are very grateful for all our volunteers, sponsors, and walkers who help make this and all our events successful.

- The Evening with Goldeyes continued to be beneficial for raising awareness of ALS/MND within our communities, helping us further our abilities to secure support for addressing the challenges and hopefully making ALS/MND a treatable disease, while we work towards a cure.

As my final year as President comes to an end, I reflect on the hundreds of clients that have come through our doors and sought our assistance through this difficult time in their lives. I am grateful to our staff at the ALS Society of Manitoba and the Brummitt-Feasby ALS House for their dedication to ensuring our clients and families are supported through their difficult journey. Thank you for continuing to be there for our clients and families when they need you most.

Regards,

Janelle Batters
President

ALS SLA
ALS SOCIETY OF MANITOBA
LA SOCIETE MANITOBAINE DE LA SLA

REPORT FROM EXECUTIVE DIRECTOR

Once again we have had a busy, but productive year.

We are very fortunate in Manitoba to have so many people committed to the programs and services that the ALS Society of Manitoba offers.

There are always situations that arise that are challenging, one is the increasing number of people being diagnosed with ALS/MND. As we have said before every person diagnosed with ALS/MND is one too many and we need to keep moving forward to find ways to help people navigate the health system, find the resources and get the help they need in a timely manner and look to the key aspects of Research .

Care and Support & Research are the pillars of our organization, raising the much needed funds for these areas is ongoing.

The ALS Society of Manitoba is here for the whole journey, from diagnosis to support services including our Equipment lending programs, transportation, counselling, long term and respite care at the Brummitt-Feasby ALS House, and more. WE are as our Mission indicates -- Helping Our People Every Way Can.

Each family is unique in the way they may handle a diagnosis of ALS/MND. What we do know is that good communication and listening to what clients and families need is imperative. How the diagnosis is relayed to families is crucial and what can be done.

How do you remain hopeful?

Knowing there is someone to call 24 hours a day and that you are not alone when an issues arises at 2 am in the morning is important. That is what the ALS Society of Manitoba does, and why we are here.

We provide Educational programming for professionals, non-professionals, clients, families, friends, and rural communities in this our great province. We do this through our Client Services Program.

Our goal is to support people living with ALS/MND in order to help them maintain Quality of Life, while managing day to day, and troubleshooting the issues of daily living – that is what the ALS Society of Manitoba does.

Fund Raising and awareness are ongoing in order to maintain our programming and we thank each and every one of you who has participated in helping us.

Research is key and must go on. Care is ongoing.

From our Volunteers, to the children who run the Lemonade stand, to the Sponsors who believe in us and help us in so many ways, to the people who do a fund raiser/third party activity to help raise the much need dollars, families who Walk with us, all of you who attend our functions and events –WE THANK YOU.
WE ARE HELPING OUR PEOPLE EVERY WAY WE CAN

ALS SLA
ALS SOCIETY OF MANITOBA
LA SOCIETE MANITOBAINE DE LA SLA

BRUMMITT-FEASBY ALS HOUSE

A home for persons living with ALS/MND, this house is the first and only one of its kind in North America.

The Brummitt Feasby ALS house is a home where persons living with ALS/MND realize their full potential in an environment that respects their rights and dignity. There is twenty-four hour care, specialized treatment, administration of medications, meal preparation, housekeeping and laundry, recreation activities, arrangements for appointments and specialist services, ongoing assessment and intervention and a Care plan designed to meet each individual.

Services Provided

All services are provided in a caring, compassionate manner. Such services include but are not restricted to the following:

- Twenty-four hour care
- Specialized treatment and administration of Medications
- Specialized meal preparation services
- Housekeeping and laundry
- Recreation Activities
- Arrangements for appointments and specialist services
- Ongoing assessment and intervention
- Care plans designed to meet all individuals

Criteria for Residency

- Applicants must have a confirmed or probable/possible diagnosis of ALS
- Applicants must be diagnosed by a Neurologist
- It is recommended that applicants be assessed by the Motor Neuron Diseases

Clinic at Deer Lodge Centre

- The applicant must meet all of the eligibility criteria for the Manitoba Home Care Program
- Must be a permanent resident of Manitoba and eligible for registration with Manitoba Health

Criteria for Respite

- The applicant must have a confirmed or probable/possible diagnosis of a Motor Neuron Disease (ALS, MS, Parkinson's etc.)
- Must meet above conditions for acceptance

What is the Cost?

A daily per diem rate will apply to all residents permanently living in the ALS House and is subject to change. The rate is determined following acceptance of application. The daily rate for clients staying at the ALS House on a respite stay is currently $45 a day, this is subject to change.

CLIENT SERVICES

Children, Youth and Young Adult's Program
Part of the ALS Society of Manitoba's mission is to support the whole family, including children. It is important that supports are given to all age groups of families and therefore the Children's Program is an integral part of our services.
In 2014, the ALS Society of Manitoba sent one young adult to attend the Annual ALS Youth Retreat at beautiful Dallas Valley Ranch Camp in Regina, Saskatchewan.

Client Services Coordinators
The Client Services Coordinators provides information and education about the nature and management of ALS/MND, as well as information regarding local and provincial health care services and social and community resources. The Client Services Coordinators may also provide an assessment of a client's ongoing needs and advocate with appropriate services as required such as home care, physicians, the ALS/MND Clinic Team and other services.

Emergency Response Information Kit (ERIK)
ALS Society of Manitoba has emergency response information kits available for all persons living with ALS/MND. The kit includes a health information form, and a health care directive form.

Equipment Lending Program
Our Equipment Lending Program is designed to help people cope with the daily challenges of decreased mobility and independence, by providing basic and essential assistive equipment, which includes mobility equipment, lift equipment, bathroom aids, etc. All equipment loaned is available at no charge to the families. Currently, the ALS Society of Manitoba has over 2400 pieces of equipment.

LVR (Breathing Bag) Program
The LVR Bags are provided by the ALS Society of Manitoba at no cost to clients and will are given out by the Respiratory Therapist at the ALS/MND Clinic.

Research
The ALS Society of Manitoba supports the ALS Canada National Research Program. Last year, $411,000.00 was sent to help fund research by the ALS Society of Manitoba.

Resource Library
The Society's library consists of books, videos and brochures about ALS/MND, individual experiences with the disease, coping with disabilities and grief. There are also a number of booklets on strategies for breathing, eating, drinking and swallowing as well as information on communication and mobility.

Support Groups
Support groups provide an open, friendly environment for clients, families and friends to learn more about living with ALS/MND. The group meets once a month throughout the year (except December). Meetings may include a guest speaker or focus on specific topics, as well as informal discussion and refreshments.

Tube Feeding Bag Program
The ALS Society of Manitoba provides tube feeding bags, different size syringes and any connectors if needed, plus other supplies at no charge to clients.

Volunteer Family Advocate Friend (VFAF) Program
The VFAF program is a program designed to match trained caregiver support volunteers to a person living with ALS/MND and their family members. These volunteers would provide practical assistance and advocate for the care giving family, saving them time, energy and allowing them to focus on their relationships and major issues of care.

ALS RESEARCH

ALS ICE BUCKET CHALLENGE
AUGUST 6
EVERY AUGUST UNTIL A CURE

During the 2014 ALS Ice Bucket Challenge, a total of $16.2 million dollars was raised in Canada. Following the challenge the ALS Societies across Canada partnered with Brain Canada, and earmarked $10 million to research, which was matched by Brian Canada bring the total to $20 million to ALS Research in Canada.

On May 3, 2014 at the ALS Canada Research Forum the Arthur J. Hudson Translational Team Grant was announced. This new grant program is designed to fund teams of Canadian researchers to accelerate the movement of ideas out of the laboratory and into the clinic with the hope of assisting development of new therapeutics for ALS. It is the cornerstone of our ALS Canada Research Program designed to emphasize bench-to-bedside translation.

Dr. Jiming Kong (Principal Investigator); Dr. Mike Namaka; and Dr. Hassan Marzban. The Univerity of Manitoba team was awarded $1.6 million to pursue ALS research.

On November 19, ALS Societies across Canada and the ALS Canada Research Program, announced $15 million in funding to be invested amongst research teams across Canada to support ALS research. The largest allocation was to the $10.15 million Arthur J. Hudson Translational Team Grants (Hudson Grant), awarded to five teams of researchers spanning academic institutions across Canada including research led right here in Manitoba.

Dr. Jiming Kong, University of Manitoba received $1.6 million to continue to research the removal of a toxic protein through a simple injection into the bloodstream rather than an injection into spinal fluid. Dr.Kong, professor of human anatomy & cell science, College of Medicine, Faculty of Health Sciences is conducting the research with Dr. Mike Namaka, associate professor, College of Pharmacy and Dr. Hassan Marzban, assistant professor, human anatomy & cell science from the University of Manitoba, Dr. Yu Tian Wang of UBC and Dr. Xin-min Li of University of Alberta.

The ALS Society of Manitoba had the opportunity to meet the research team and looks forward to seeing how their research develops.

AGM/Volunteer Appreciation Evening
Wednesday, June 24, 2015
Victoria Inn Hotel & Convention Centre

We would like to take this opportunity to thank all our volunteers, those on our board of directors, those that volunteer on committees and those that dedicate countless hours to making sure all our events are successful. The Volunteer Appreciation Evening included tasty fruit and cheese platters, hot and cold beverages and wine which were enjoyed by staff, board and volunteers alike. It was a wonderful evening with the chance to see old friends and meet new ones.

Cruisin' Canada for ALS
Sunday, June 28, 2015
Pony Corral Restaurant, Grant Park

From June 1 to July 4, 2015, Mark and Dianne Boutilier travelled across Canada in their 1953 GMC truck raising over $30,000.00 for ALS Societies across Canada. When they stop in Winnipeg we joined them at the "Sunday Night Cruise Night at The Pony".

An Evening with the Goldeye's
ALS/Lou Gehrig Night
Friday, July 4 , 2015

Local actor, Robert Piche re-enacted the famous farewell speech of the "Iron Horse", followed by the ALS Society of Manitoba's volunteers passing the helmet to raise funds for support services offered here in Manitoba to those living with ALS. This year's event raised over $3,000.00 and even with the rain many showed their ongoing support to this life changing disease.

Morden Corn and Apple Festival
August 21-23, 2015
Morden, Manitoba

As more and more Manitobans are affected by ALS/MND, the ALS Society of Manitoba is trying to visit many of the rural communities. Not only did we sell alot of ALS swag in Morden we had the pleasure of meeting may people with questions about ALS/MND.

FRANK EDMONDS VOLUNTEER AWARD

The Frank Edmonds Volunteer Award is given annually to a volunteer with the ALS Society of Manitoba whose commitment and dedication to the cause of ALS has been noted by their peers. The award is in remembrance of Frank Edmonds who died of ALS in 2001 and was given in his name by his daughter Tracy Edmonds-Leckie.

This year's presentation of the Frank Edmonds Volunteer Award was divided into two categories:

The Winnipeg Award went to:

Don Johnson *(Left centered)*

Nicole Woodley *(Right centered)*

MARCEL BERTRAND MEMORIAL BUSINESS AWARD

After being diagnosed with ALS in February of 2000, Marcel Bertrand worked tirelessly on behalf on the ALS Society of Manitoba, taking on such roles as board member, educator, advocate and major fundraiser. Marcel served two terms as president of the ALS Society of Manitoba and was instrumental in the planning and reconstruction of Brummitt-Feasby ALS House. Marcel received numerous local and national commendations for his work with the Society before his death in July 2007.

In recognition of Marcel's exceptional ability to garner support from the business community for his work, this award is presented annually to honour a business which has made a significant contribution both in volunteerism and financial support to the ALS Society of Manitoba and people living with ALS.

The 2015 recipient was:

Reliable Mobility Home Health Care

Karen O'Brian, Don Shaver, Gail Brigham, Anita Todd, Graham Todd, Rose Ribble and Diana Rasmussen (L-R)

ALS SLA
ALS SOCIETY OF MANITOBA
LA SOCIETE MANITOBAINE DE LA SLA

REPORT FROM TREASURER

Financial Summary

In F2016 the ALS Society of Manitoba (the "Society") recorded revenues of $1.360 million, which was approximately a 13% increase. A significant portion of this increase was due to an increase in planned giving donations, as well as growth in our fundraising events.

Expenses were $1.223 million, which was relatively consistent with the prior year.

Overall this resulted in net income of approximately $137,000.

Fundraising Events

The Society had a strong year with respect to the performance of its fundraising events. On the three major fundraising events of the year (i.e. the Golf Tournament, the Cornflower Gala, and the Walk) the Society experienced an overall growth to net income of these events of approximately 20% (or an increase to net income of approximately $36,000). We are extremely grateful for all the support from volunteers and staff that help make the fundraising events such a success year after year.

Client Services and Research

With our commitment to funding research from a portion of the Walk net income, the Society was able to direct approximately $95,000 towards ALS research in F2016.

Additionally, the demands for equipment and support continue to increase as the number of people living with ALS in Manitoba increases. In F2016 we were able to fund over $45,000 of purchases of new equipment, in addition to expenditures on other various client services.

Designated Revenues

Approximately $115,000 of designated revenue was recorded on the income statement in F2016. This was mostly due to recognizing designated revenue for client services to the maximum extent possible, being the amount of client service expenses in the year. The remainder was due to timing of certain fundraising events. This leaves approximately $262,000 of designated revenue still remaining on the balance sheet.

* * *

I would like to thank our staff as well as the numerous volunteers that made our year such a success. I would especially like to thank our donors for their contributions and continued support of the Society, as without them we would not be able to provide the valued programs and services to our clients.

WOW! Hospitality Concepts
WPS - Community Relations

Without the generous support of those listed above, our annual events would not be possible. Please take the time to support those that support us and let them know that because of their dedication to the ALS Society of Manitoba you are supporting them by using their services!
